Response to *Ex Parte Quayle* Action dated March 15, 2010

**AMENDMENTS TO THE SPECIFICATION**

In the specification at page 3, after the paragraph that begins “Surprisingly, it has now been found ...” and before the paragraph that begins “The invention therefore relates to ...”, please insert the following new paragraph:

**BRIEF DESCRIPTION OF THE DRAWINGS**

Figure 1 depicts an organic electroluminescent device (100) having an anode or an electrically conductive layer (102), a cathode (104), and an emission layer (106).

Figure 2 depicts an organic electroluminescent device (200) having an anode (202), a cathode (204), an emission layer (206), and an electrically conductive layer (208).

Figure 3 depicts an organic electroluminescent device (300) having an anode (302), a cathode (304), an emission layer (306), an electrically conductive layer (308), and an electron transport layer (310).
